

32"-60" Dual Screen Ceiling Mount 650376

Product Images

Short Description

- Max. Load Capacity: 40Kg
- Max. VESA: 600x400
- 360° Rotation Around the Pole: provides optimal viewing
- Telescopic height adjustment for optimum visibility
- Freely angling and swiveling for different viewing angles
- VESA standards compliant
- Built-in Cable management

Description

The 32"-60" Dual Screen Ceiling Mount is a space-saving and professional display solution designed to support two side-to-side flat-panel TVs or monitors. Ideal for commercial spaces such as retail stores, airports, restaurants, lobbies, and meeting areas, it accommodates screens from 32 to 60 inches with compatible VESA mounting patterns. The sturdy steel construction ensures stability and long-lasting durability, even in high-traffic environments.

Featuring an adjustable pole length and tilt mechanism, the mount allows flexible height and angle customization for the perfect viewing position. Its integrated cable management system conceals and organizes wires, maintaining a clean and sleek installation appearance. Perfect for digital signage, advertising, and information displays, the 32"-60" Dual Screen Ceiling Mount combines style, strength, and functionality—delivering an efficient dual-display setup that maximizes visibility and enhances communication in any modern commercial or public environment.
