

650890 Multifunctional CPU Mount

Product Images

3-way Installation

Short Description

- **Mounting Options:** 3-way install — pole clamp / VESA plate / under-desk
- **VESA Support:** Up to 100×100 mm
- **Load Capacity:** 5 kg max
- **Construction:** Steel build for strength and durability
- **Space Saving:** Clears floor area; increases storage beneath the desktop
- **Stability:** Securing straps included
- **Compatibility:** Universal design adapts to common small-form CPUs

Description

Multifunctional CPU Mount — Lift your desktop PC off the floor and free legroom with a slim, steel CPU holder. The universal design mounts under-desk, onto a VESA plate (up to 100×100), or clamps to a pole. Included straps add stability, while the 5 kg load rating ensures secure, space-saving installation.
